

## **Department of Rehabilitation Psychology and Special Education Information on Selected Field Placements - Undergraduate**

*This listing is intended to provide information on the range of possible practicum and internship placement sites which may be available for student placements in rehabilitation psychology. The instructor may advise you to call or apply online for certain sites. Many sites will ask you to interview and this means the instructor cannot directly place you. All placements must be finalized in collaboration with the instructor.*

*The following agencies have provided field placements in the recent past and may have placements available again this semester.*

### **ABC for Health Inc**

32 N. Bassett St                      261-6939, Ext. 210                      Brynne McBride - [bmcbride@safety.web.org](mailto:bmcbride@safety.web.org)

Advocacy and Benefits Counseling for Health is a Wisconsin-based nonprofit public interest law firm dedicated to ensuring health care access for children and families, particularly those with special needs or who are at risk. Mission is to provide health care consumers with the information, advocacy tools, legal services, and expert support they need to navigate through America's complex and confusing health care financing system.

[www.safetyweb.org](http://www.safetyweb.org)
